

MRS. R. RADHA DEVI - ASSISTANT PROFESSOR

She has established her career by transitioning from a Software Engineer to an Academician. With experience in the software industry, she is now pursuing a Ph.D. at BIHER.

Currently, she serves as an Assistant Professor, specializing in Environmental Law, and is responsible for handling various subjects, including Cyber Law, Intellectual Property Rights, and others. Her enthusiasm for learning and teaching is evident, as she is committed to both gaining knowledge and sharing it with her students.
